Ltd. (the “**SGX RegCo**”) for waiver:

- (ii) to comply with Rule 707(1) of the Catalist Rule in relation to the Company’s AGM for FY2022;

(collectively, the “**Waivers**”),

and the extension of time of:

- (i) up to 28 February 2023 to announce the unaudited financial results for FY2022;
- (ii) up to 30 April 2023 to hold the Company’s AGM for FY2022; and
- (iii) up to 31 August 2023 submit its trading resumption proposal pursuant to Catalist Rule 1304(1).

(collectively, the “**Extension of Time**”)

The reasons for the Waivers application and Extension of Time are as follows:

1. The objectives of the Company, under the helm of a new management team and reconstituted board of directors, upon the discharge of judicial management order on 17 August 2022, are to fulfil the various deadlines provided in the no-objection letter from SGX RegCo dated 6 June 2022. The new management team has since progressively taken over the management functions of the Group from the judicial managers in August 2022.

2. In light of Deloitte & Touche LLP not seeking for re-appointment in AGM for the financial year ended 31 September 2020 held on 30 April 2021, the Company has proposed the appointment of Crowe Horwath First Trust LLP, as auditor of the Company, which was approved by the shareholders on 21 July 2022 (“**New Auditor**”). Due to the change of auditor, the New Auditor is required to reperform audit of opening balances reported by the Company in accordance with

SSA510: Initial Audit Engagements – Opening Balances, an extensive audit procedure which requires additional work done to be performed by the New Auditor, as well as the requirement from the new management and finance team to provide a full details of the events or developments regarding the unresolved auditing and accounting issues highlighted in the Company's financial statements for the financial year ended 30 September 2020. The New Auditor and the Company have devoted significant time and resources towards the completion of various deadlines set out in item 1.1 and 1.2 above, particularly working towards to the convening of its FY2021 AGM by 15 January 2023, which was a condition precedent for the waivers granted on 6 June 2022 by the SGX RegCo.

3. The Company is currently working towards to the completion of 1HY2021 and FY2021 unaudited results and targets to release both announcement by 15 November 2022. As at the date of this application letter, the Company envisages it will also meet the deadlines to convene the FY2021 AGM by 15 January 2023 and to release its 1HFY2022 by 31 January 2023. The Company believes its current efforts in meeting each of the aforesaid respective deadlines will be a critical milestone to be achieved in respect of the Company's trading resumption proposal.
4. In view of the Company was predominantly under judicial management for FY2022, i.e. from 1 October 2021 to 17 August 2022, being at least 10 months during FY2022, the Board is of the view that the issuance of the sustainability reporting for FY2022 may not be meaningful.
5. The proposed new deadlines for the above items are as follows:
