JOINT VENTURE IN RELATION TO SMELTING FACILITY

The Board of Directors (the “**Board**” or “**Directors**”) of Sen Yue Holdings Limited (the “**Company**”) refers to the Company’s announcement dated 7 October 2019 in respect of the entry into a joint venture agreement dated 7 October 2019 (the “**JVA**”) by the Company’s wholly-owned subsidiaries, SMC Industrial Pte Ltd (“**SMC Industrial**”) and SMCI Refinery Pte. Ltd. (the “**JVC**”) with Electroloy Metal Pte Ltd (“**Electroloy**”) and Wang Chun Jian (together with Electroloy, the “**JV Partners**”) for the establishment and operation of the smelting facility (“**Smelter**”).

It was previously disclosed in the Company’s annual report for the financial year ended 30 September (“**FY**”) 2021 that the JVA was pending re-negotiation with the JV Partners, and that there was no progress on such re-negotiation and no agreement was reached among parties.

The Board wishes to update shareholders that as at the date of this announcement, parties to the JVA have ceased to re-negotiate the JVA, and in connection therewith, parties have each acknowledged and confirmed that, in accordance with the terms of the JVA, the JVA has ceased and determined as the conditions precedent of the JVA were not fulfilled or waived by the parties to the JVA by 31 January 2020. For the avoidance of doubt, the allotment and issue of the shares of the JVC did not take place and the JVC is currently a wholly-owned subsidiary of SMC Industrial.

As disclosed in Company’s annual report for FY2021, the total cumulative construction costs incurred by the Group for the Smelter under this JVA was S\$2,053,000. All such construction costs were respectively expensed off to profit or loss in FY2020 and FY2021.

The Company will make further announcements to keep shareholders informed as and when there are further material updates and developments in respect of the Smelter.
